

## **Suzuki V-Strom :30 RADIO SCRIPT**

Adventure Runs in the Family

Pack your bags. Go the distance. Bring back memories.

The new 2019 Suzuki V-Strom 1000XT Adventure and the new V-Strom 650XT Touring are superbly equipped for miles of adventures.

Both V-Strom machines powered by an advanced, liquid-cooled 90-degree V-twin engine delivering smooth low to mid-range rpm torque and potent performance across the entire power range.

The advanced aluminum twin-spar frame is the foundation of a compact, lightweight adventure-ready package that provides comfort and enjoyment to a variety of riders.

Additionally, the V-Strom 1000XT Adventure and V-Strom 650XT Touring feature side cases, a center stand, and a rugged accessory bar.

Whether it's the open road or the road less traveled, your next adventure starts with a V-Strom.

You can experience the entire family of V-Strom motorcycles at your local Suzuki dealer today.
