

GSX-R1000R :30 RADIO SCRIPT

Intro :20

The king of sportbikes is *back*. Introducing the *all-new* 2017 Suzuki GSX-R1000R.

It's the lightest, most compact, most aerodynamic, and best-handling GSX-R ever built. And its brand-new engine delivers a wide spread of power and smooth, precise throttle response.

With breakthrough enhancements and truly advanced electronics, it's perfect on the street and the track – so you can reach new levels of riding performance.
