

OFF-ROAD :60 RADIO SCRIPT

Attention dirt riders: It's time to play outside.

Hurry to [dealer name] in [city name] to check out our selection of in stock and ready to ride Suzuki off-road motorcycles.

[Like the all-new, enduro-ready RMX450Z, and the trail conquering DR-Z70 and DR-Z125L.]

Because if dirt trails are what you crave, nothing dominates like a Suzuki.

Suzuki off-road motorcycles are renowned for their superior handling, smooth power, and trusted reliability. And there's a model for every rider, from beginner to expert. So whether you're looking for a high-performance bike with an enduro punch or a low-maintenance ride for weekend adventures with the family, we've got it. And then some.

Bottom line: if you're looking to hit the trails, look for the most fun, family-friendly, and reliable choice – a Suzuki off-road bike.

See the most talked-about off-road bikes out there at [dealer name] in [city name] or visit [URL] now. And rev up for the great outdoors.
