

RM-Z :60 RADIO SCRIPT

If you want to dominate the track, then you need the winningest bike in motocross.

Hurry to [dealer name] in [city name] to check out our selection of in stock and ready to ride Suzuki RM-Z motocross machines.

The all-powerful RM-Z450 is the 2016 AMA Motocross Champion. And with the most wins in Motocross over the past decade, its performance is *legendary*.

Whether you're a rookie or a track veteran, RM-Zs help you grab the holeshot, hold your line, and crush the competition.

Built with razor-sharp handling for class-leading control, there's no better way to conquer rutted out tracks...

...master the corners...

...and make every podium *yours*.

And don't forget: race with Suzuki, and get the industry-leading contingency support you need to stay on top.

Get the most dominant bike of the decade at [dealer name] in [city name] or visit [URL] today. And put the number one name in motocross on your side.
