

## **2016 KINGQUAD FULL LINE :60 RADIO SCRIPT**

### **Intro :50**

When it comes to utility ATVs, nothing's built like a Suzuki KingQuad.

And you can find the full line of 2016 KingQuad ATVs at [dealer name] in [city name].

Explore the complete range of KingQuads, from the durable and versatile 400 to the big-bore power of the 750.

Because whichever KingQuad ATV is right for you, you'll get a machine that tackles the toughest terrain and works in the most punishing conditions – day in, and day out.

That's because Suzuki builds every KingQuad with a high-tensile steel frame...

...superior handling and performance...

...an advanced transmission for rough trails...

...and professional-grade parts that are made to *last*.
