

## **RM-Z :60 RADIO SCRIPT**

### **Intro :50**

If your business is winning races, then there's only one way to handle it: *the RM-Z way*.

Hurry to [dealer name] in [city name] to check out the *new* and all-powerful lineup of 2017 Suzuki RM-Z motocross machines.

From the always in-control RM-Z450 down to the superior-handling RM85, Suzuki's motocross bikes are the ultimate choice for experienced racers and rookies alike.

Featuring razor-sharp handling for class-leading control, it's no wonder the Suzuki RM-Z has a legacy of champions behind it.

Because there's no better way to conquer rutted out tracks...

...master the corners...

...and make every podium *yours*.

And don't forget: with over six million dollars in contingency support available for 2017, there's never been a better time to race with Suzuki.
